

July 2018

Dear Headteacher

SFSS Block Entry Fee 2018 / 2019

The Block Entry Fee form and invoice accompanying this letter is for the current school year. The form will need to be completed and returned to the address provided, and payment made, before the school is eligible to have pupils compete in Federation-organised competitions. There is no increase in affiliation costs for this year and payment can be made by BAC, should this be more convenient.

As you will be aware, the Federation provides a large proportion of the inter-school sporting competitions available to Sheffield pupils, and the leaflet enclosed with this letter provides more detail of our activities.

Any payments received after **Friday 19th October 2018** are ineligible for the early-pay discount. Details can be found in the leaflet and on the invoice. The reason for encouraging early payment is because we have found that some schools only affiliate just before an activity they want their pupils to take part in. This can create difficulties where up-front costs have to be met well in advance.

If you have any queries about this invoice or need further information, please contact me by letter or through the following email address: secretary@sfss.co.uk.

Yours sincerely

Pete McLeod
